The Director, State Audit has stated that in G.O.Ms.No. 3, Finance (Admn.II) Department, dated 5.1.2005, Government has accorded permission to the Director of State Audit, A.P., Hyderabad to engage 60 Data Entry Operators. The DSA has stated that in the Govt. Memo.No.9824/152/A1/Admn.II/2009, dated 01.06.2009 and dated 20.06.2009 of Finance (Admn.II) Department, Government had permitted to continue the outsourcing of 60 Data Entry Operators for a further period of one year i.e. up to 31.05.2010.

2. In this connection the DSA has stated that Departmental Software Application (VISA) is completed and implemented, huge data has to be fed to the application software. The package covers all audit activities including storing of audit reports, maintenance of local body accounts, pay rolls for the staff, pension verification and authorization in respect of Class IV and other low paid employees, budgeting process, pension information of the employees and establishment matters. The package is implemented in all the district offices and subordinate offices and connected to server in the Directorate. There are more than 150 offices situated all over the state in respect of State Audit Department and the data entry work cannot be entrusted to the typists as only 87 typists posts are being continued on disbandment of 73 vacant typist post and the services of the auditors cannot be utilized for data entry work since they have to concentrate on audit work within the statutory time limit in accordance with the annual action plan. Therefore it is necessary to continue the above 60 Data Entry Operators w.e.f. 01-06-2010 to meet the administrative exigency, otherwise the work attended to by the Data Entry Operators will be hampered.
